

- Please call Messick's at 877-260-3528 to request an RGA (return goods authorization). RGA will expire in 14 days from date of issue.
- Please write the RGA number on the shipping label and not the box itself.
- Non-stocked parts returned within 30 days will incur a 20% restock charge.
- Stocked parts must be returned within 30 days to avoid a restock charge.
- Items must be returned in the condition they were received, including accessories, documentation and packing material. If package was received double boxed, return it that way.
- When repacking the box, please use shipping tape.
- Please use a shipping method that is trackable, such as UPS or FedEx.
- We recommend that you insure your package when shipping it back to us at your expense. Transportation damages happen, and we want you to be covered.
- Credits are typically applied with 2-3 business days of receiving the return.
- *Please address the package to:*  
**Messick's Farm Equipment**  
**RGA# XXXXXXXX**  
**187 Merts Drive**  
**Elizabethtown, PA 17022**

## Non-returnable items

There are certain items that we just can't take back for any reasons. They include:

- Electrical part.
- Open kits. Examples would be seal or gasket kits.
- Any manuals.
- Used, or discontinued parts.
